JWmisfit was not deserving of your video

**Mike Kim**

02/06/2014 19:23

but he's helped us a lot with trolls that have been harrassing us

**John Cedars**

02/06/2014 19:29

He is a troll. He's banned from my channel for saying outrageous things about JWs, claiming that they are ALL child abusers. Hey, it's your channel, and you can praise who you like, but he is precisely the wrong kind of activist.

He does our cause more harm than good, and seems hell bent on it.

**Mike Kim**

02/06/2014 19:36

Lloyd PLEASE don't make Mikey & JWmisfit enemies. I see your elder side coming out. 😞 😞

**John Cedars**

02/06/2014 19:37

I never said Mikey was an enemy??

**Mike Kim**

02/06/2014 19:38

you deleted his comment from your video and he wasn't too happy about that

**John Cedars**

02/06/2014 19:38

Who, Mikey or JWmisfit?

What does Mikey have to do with this?

**Mike Kim**

02/06/2014 19:38

You deleted Mikeys' comment from your video

To give some background, "JWmisfit" is another name for "Johnny Jerkweed" – a troublemaker who Mike and Kim befriended not long after I blocked him from my YouTube channel for making outrageous comments about Jehovah's Witnesses all being child abusers. When I noticed that Mike and Kim had made a video endorsing JWmisfit as their new friend, I PMd them to let them know they were making a mistake (assuming we were friends and I was able to do this).

## Mike Kim

+ New Message

**John Cedars**

02/06/2014 19:38

Which comment?

And even if I deleted a comment of Mikey's (which I don't remember doing) why would that make him my enemy?

Which video was it?

**Mike Kim**

02/06/2014 19:42

It was under the video where you said we shouldn't feed into JW's persecution complex. But you made the comment to misfit that he shouldn't bash you for trying to fight against WT. Mikey then made the comment that he found it hypocritical of you to then turn around and criticize our work on subliminal images and mocking us about penises then...within 10 minutes Mikey comment was gone.

**Mike Kim**

02/06/2014 19:42

I never said you were his enemy. I said DON'T make him one

**John Cedars**

02/06/2014 19:43

I don't recall ever deleting a comment from Mike. If I did, I apologize.

But I don't apologize one moment for blocking JWmisfit because he is a crazy individual who wishes to portray ALL JWs as child molesters and I won't let him use my channel to unleash his vitriol.

And I don't appreciate having the fact that I was once an elder thrown in my face just because I'm taking a stand over something.

**Mike Kim**

02/06/2014 19:46

I understand and that is your prerogative. But just to let you know, JWmisfit is a good friend of ours that has been thru a lot. He's like our body guard and Mikey told him about the email you sent us, mocking us over our subliminal image videos and the youtube video you sent us about penises. Misfit didn't take too kindly to that. Also, you should know that there were several that read mikey's comment and then saw

about penis. I wish I didn't take too kindly to that. Also, you should know that there were several that read mlkey's comment and then saw it disappear and asked us if you had deleted his comment. We could only say that it disappeared within 10 minutes

**Mike Kim**

02/06/2014 19:47

and we don't appreciate being told who to do videos about and/or not

**John Cedars**

02/06/2014 19:48

I am looking for it now in my emails for that video. So far I can't find it but, as I said, if I deleted Mikey's comment I can only apologise.

I have never mocked you in ANY of my emails to you. Can you forward me the email in which I mocked you?

**Mike Kim**

02/06/2014 19:49

sure. let me go find it

**John Cedars**

02/06/2014 19:49

The fact that you guys need a bodyguard at all is very disturbing, but that you should choose somebody as unhinged as JWmisfit for this role is very unfortunate.

**Mike Kim**

02/06/2014 19:55

do you always take everything so literal? relax

**John Cedars**

02/06/2014 19:56

There was nothing at all mocking in my email. I worded it as respectfully as possible, and if you had a problem with it, you should have mentioned your grievance when you replied, which you didn't.

I've just sent you an email with the vitriol that got JWmisfit booted from my channel. I really find it astonishing that you are allying yourselves with that sort of mentality when you claim you want to help JWs.

**Mike Kim**

02/06/2014 19:57

To quote: "I think you've both gone past the point of no return with this

with that sort of mentality when you claim you want to help JWs.

**Mike Kim**

02/06/2014 19:57

To quote: "I think you've both gone past the point of no return with this subliminal images thing. You are so heavily invested in it that I doubt you would ever admit that it's all purely subjective." Do you think that was at all loving and friendly?

So you think we just start shunning a friend then just because you & him have a difference of opinion?

**John Cedars**

02/06/2014 19:58

There's certainly nothing hateful or mocking about it. Aren't friends allowed to be honest with eachother? And why air your grievances now? Why not say something at the time?

I am not telling you to shun him. It's entirely up to you what you do with my information. I just assumed that friends could be totally honest with eachother if they had cause for concern, but clearly I was wrong. You want me to sugar-coat everything and agree with you 100%.

**Mike Kim**

02/06/2014 19:59

because there is no point, you think you are right.

**John Cedars**

02/06/2014 20:00

Right about what? That misfit is a maniac who doesn't care about helping JWs? He's as much as said so himself.

**Mike Kim**

02/06/2014 20:01

you don't have to sugarcoat anything and agree with us on anything, but deleting Mikey's comment didn't look too good to others

**John Cedars**

02/06/2014 20:01

I have yet to find the comment that was deleted. If I deleted it it must have been by accident - and I've already apologized for that!

## Mike Kim

have been by accident - and I've already apologized for that:

**Mike Kim**

02/06/2014 20:01

he's actually a very nice guy and a big teddy bear, you just haven't given him a chance

fine

it doesn't matter anymore. I will pass your apology on to Mikey.

**John Cedars**

02/06/2014 20:02

A nice guy and a teddy bear who calls JW's murderers and, quote, "gave up a long time ago trying to "help" these brain washed tools."

Yes, please do. I will remember next time I have any advice to withhold it from you unless it validates everything you say and do.

**Mike Kim**

02/06/2014 20:03

if you knew his family, you would understand. But unfortunately you won't give him that chance. He is also in the middle of a nasty lawsuit with JW family, but it just doesn't matter does it?

no, please don't just go your way and we will do our thing

**John Cedars**

02/06/2014 20:04

Then he's clearly not in a position to be offering unbiased, calm, rational help to Jehovah's Witnesses. He needs to be receiving help, not giving it. But then he's openly declared his lack of interest in helping JW's.

But hey, apparently you're no longer interested in my opinion if it doesn't validate yours.

**Mike Kim**

02/06/2014 20:06

how can you say that? He just talked down a young JW the other night that was about to commit suicide because his JW mother had kicked out the young man and he's having to live in a tent. You are so angry at misfit and don't even know the full picture

**John Cedars**

02/06/2014 20:06

And you'll gladly beat me over the head with the fact that I was once an elder if I say something you don't like.

Then it sounds like he's done a 360 on what he was saying on my channel. He's welcome to apologise for calling all JW's murderers and "brainwashed tools" and I'll happily unblock him.

**Mike Kim**

02/06/2014 20:07

you did the same thing to us....and we don't need your opinion to validate what we are doing. The hundreds of emails everyday telling us how much we help people is our validation

**John Cedars**

02/06/2014 20:08

Great, well if you no longer need my opinion, this conversations over. Have fun with your new pitbull.

**Mike Kim**

02/06/2014 20:08

**John Cedars**

02/06/2014 20:08

Exactly, why would you? Take care.

**John Cedars**

no, you just did by talking about our PMs on that thread

02/06/2014 21:02

**Mike Kim**

we don't tell you what videos to make

02/06/2014 21:02

**John Cedars**

my altercation with your bodyguard was already sorted by the admins

02/06/2014 21:02

you're welcome to give me feedback, which is all I've ever offered you

So where does this end Kim? Do we now start making videos about eachother? Or shall we delete our most recent comments and leave this be?

I'm happy to delete mine if you delete yours. This could get REALLY ugly if we let it.

...or we could delete and put this all behind us?

**Mike Kim**

I just deleted my 1st comment, so what are you going to do show you are willing to make peace?

02/06/2014 21:10

## Mike Kim

thank you

**John Cedars**

02/06/2014 21:11

Right. Here's the thing...

I actually like you both but you clearly no longer like me giving you advice, no matter how well-meaning it is...

...and you're clearly sore because I don't agree with the subliminal images thing and I'm not afraid to say so privately.

I suffer with depression and the last thing I need is a YouTube firefight.

I have 2,100 subscribers, you also have over 1,100 - and inevitably we will share many of the same subscribers.

The last thing they want is to see us bickering.

And, in case you haven't noticed, I have yet to do a single video on my thoughts about subliminal images.

So here's what I suggest - if we **MUST** fall out (your decision not mine) can we keep this private?

**Mike Kim**

02/06/2014 21:14

you can give advice, but to tell us that we are too far gone, was not being a friend. And it was someone else that jokingly called misfit the bodyguard

**John Cedars**

02/06/2014 21:15

Well why didn't you raise that issue about the email at the time? I thought your response was very cordial.

And I haven't badgered you about it since. I was just trying to get you to think about it outside the box.

But if I offended you, I apologise.

I've also done some digging on Mike's deleted comment.

## Mike Kim

+ New Message

I've also done some digging on Mike's deleted comment.

It's more than likely it got deleted simply as a result of deleting JWmisfit's thread. It was nothing deliberate.

**Mike Kim**

02/06/2014 21:19

ok, apology accepted. We were just hurt by your email because you were discrediting our work in subliminals. If you don't see them and/or believe they are there, that is fine. That was not the issue. But friends don't do that. We thought your agnostic video was insulting to Christians

**John Cedars**

02/06/2014 21:19

Now there are more things coming out of the woodwork, okay...

**Mike Kim**

02/06/2014 21:20

but we would NEVER insult you by sending YOU an email discrediting your agnostic views

**John Cedars**

02/06/2014 21:20

Again, the email was private. I even said in it that I was tempted to post it publicly as a comment but didn't want to embarrass you.

If you can't handle me being honest with you in emails, I will be sure not to send any more.

And as for the agnostic video, I made very clear at the beginning that if you are offended by having the concept of faith challenged, you shouldn't watch the video.

I don't see why I should have to apologise for honestly and respectfully answering a question that was asking of me by multiple viewers in my survey.

**Mike Kim**

Anyway, you have done things to upset me but I've been willing to overlook it.

There is a bigger cause we fight in.

**Mike Kim**

02/06/2014 21:23

that was the impression we got

**John Cedars**

02/06/2014 21:23

Nitpicking gets us nowhere.

Well if you ignored my warning at the beginning of the video, what do you expect?

I could do a heck of a lot more videos on my agnosticism, but I've chosen not to PURELY because my JW activism is bigger and more important to me.

**Mike Kim**

02/06/2014 21:25

you missed the whole point...

**John Cedars**

02/06/2014 21:25

But I am entitled to talk about it in this one-off video in response to a question from my viewers.

What point did I miss?

**Mike Kim**

02/06/2014 21:26

let me explain it , the point is: if don't agree with you, we don't send you mocking emails

and like I said, if it offended you, I will be sure not to send you my opinion on things by email again

**Mike Kim**

02/06/2014 21:27

we showed it to several of our friends and they thought it was a mocking email also

fine

**John Cedars**

02/06/2014 21:27

well then you've done the damage yourself, because it was private

it can't be "mocking" if it's just between us 3

but you showed it to others

**Mike Kim**

because we were upset and wanted to get our friends

**Mike Kim**

02/06/2014 21:30

what I can't have a confidant?

**John Cedars**

02/06/2014 21:30

Of course you can confide, but the problem lay with me. You jumped to moaning about it before trying to address the perceived problem, which was me.

But the good news is, I now know I can't give you honest feedback, so I will obviously never make the same mistake again.

**Mike Kim**

02/06/2014 21:31

our friends told us to let it go until the right time

**John Cedars**

02/06/2014 21:32

Ah, they told you to let it fester unresolved. Interesting.

And now I am paying the price for the volcanic outburst.

**Mike Kim**

02/06/2014 21:32

no we didn't. You are the one that started your attack on our misfit video. YOU STARTED THIS!

**John Cedars**

02/06/2014 21:33

I didn't "attack" you. I PM'd you.

Stop using inflammatory words.

**Mike Kim**

02/06/2014 21:33

what's the difference? Whether it was public or private

**John Cedars**

02/06/2014 21:33

A huge difference.

If it's in private it can be resolved quickly. If it's in public it just escalates and causes ill feeling.

Can we agree to draw a line under this? I promise not to give you my opinion anymore. Do you promise not to make this public on Youtube/Facebook?

**Mike Kim**

02/06/2014 21:36

wow

**John Cedars**

02/06/2014 21:37

"Wow" was what I thought when he said all JWs are murderers.

And said he didn't want to help them.

**Mike Kim**

02/06/2014 21:38

ok but if you say anything else or do any videos about us negatively, you will get it back with both barrels. As far as misfit, he's almost ready to come out and do videos and I'm sure you don't want your dirty laundry aired.

**John Cedars**

02/06/2014 21:40

Great, then we have an agreement. I will not mention this AT ALL on YouTube or Facebook. I am not bothered about you giving me "both barrels" as it were. I can completely obliterate the subliminal images argument in 10 minutes, and I have the email notifications from YouTube to prove what Jw/misfit said.

After the June 3rd exchange, Mike and Kim and I ended up unfriending each other after an exchange with Shyla on June 23rd. Shyla latched on to something I said on my FB page about not being friends with all activists, and wrongly interpreted this as being an attack on her family.

**Facebook User**

23/06/2014 21:04

There are lots of activists on Facebook and elsewhere whose style I don't like, and who I'm not friends with. Just because we're fighting the same cause doesn't mean we have to like everyone within that cause. I ditched "agape" (compulsory love) a long time ago.

that's the problem when you make blanket statements and when you are friends with activists

**John Cedars**

well there are so few of us activists that when you make those blanket comments how can we not?

**John Cedars**

23/06/2014 21:14

Shyla, I'm honestly alarmed to find myself in a situation where I need to defend my inability to universally be fond of all Ex-JW activists.

You are more educated than me for goodness sake.

**Facebook User**

23/06/2014 21:14

I'm not saying you have to like everyone!!!!!!!!! But damn man, don't be bad mouthing people!!!! I've told the same thing to Johnny too

I'm tired of this!!!!!! This in fighting is doing more damage to us than anything

**John Cedars**

23/06/2014 21:15

I'm not bad mouthing anyone. I've made a rebuttal of Johnny's remarks and explained that if you're an Ex-JW activist you're not automatically my friend. Just who have I bad-mouthed?

**Facebook User**

23/06/2014 21:16

You're blaming me for everything and reacting the way I did, and you're talking down to me?????? and say I'm over reacting?

Because you made a blanket statement about the activists.....the second I read that, I took it to mean me.

**John Cedars**

I can't help if you read into my comment what isn't there.

I don't have people who leak out private conversations as friends, nor do I have as friends people who use words like "bully" and "attack" merely because I try reasoning with them by PM.

If you ever feel like apologizing for this ridiculous behavior I will be only too happy to friend you again. Until then I'd rather only have genuine friends on my friends list.

**Facebook User**

24/06/2014 14:03

Well John, I guess that shows that I have more friends who care about the true. And well YOU can't see it, but you did attack me, and the few people who wanted to know what happened and why I was so upset yesterday seen our conversation, Johnny was not one of them, but they all are very upset with you because of how you treated me....You used elder tactics on me and pulled me in the backroom of facebook

It's a funny thing with exJW woman John, we all have been abused in one way or another by the men of that religion and you still do it.

Please don't treat your own daughter this way

Or she's going to rebel when she's older.

**John Cedars**

24/06/2014 14:06

Ridiculous. If you're going to cry persecution over a simple disagreement by PM then I have clearly made the right decision. Feel free to tell your other "abused" friends to vote with their feet and unfriend me. I have no use for interactions with people who are hyper-emotional and can't handle logic.

This is the last exchange I have with Mike and Kim in my archives. Shortly after this my relationship with the Brooks family deteriorated further when I made comments against aggressive activism on my Facebook timeline. This was responded to by someone calling himself "John Smith" who had an article posted on Mike and Kim's website (taken down shortly thereafter) accusing me of being a cult leader and cyber bully. The same individual then posted on Facebook accusing me of being a "predator," and hence a threat to my own daughter. I will conclude with showing the Facebook post that John Smith made containing these allegations, which Shyla "liked."

NOTICE: This is the second hardest thing I have had to write. The first hardest was to a Judge and States Attorney about the abuse that happened to my daughter, when she was sexually abused by a predator.

What I found on the web:

"My lowest point... A story of John Cedars.

But these troubles were soon to pale into insignificance when my wife made a heartbreaking discovery. She learned that, though I hadn't cheated on her, I had been fraternizing with girls on the internet in ways that I shouldn't have done as a married man. I had a big issue with cyber sex and pornography, which I had developed as a teenager, and which remained with me even into my marriage."

As my Wife has stated "Cedars is a part of this problem the JW's have!"

This guy, Cedars, quietly sat on the sidelines, as an elder with an addiction fraternizing with girls, cyber sex, etc. ... How many of you who were once a JW would want this chap to be studying with your child/children?

How many of you who are now EX JW's would want to associate with this guy, who apparently still has this problem, and is now placing himself closer to his addictions by running a private survey, a podcast and always talking about sex abuses, etc?

SEE THE PROBLEM!?

How about HIS wife? How about HIS innocent daughter, who will soon be surfing the Internet. What dirty little secrets will she learn about her daddy?

And since he still has this problem, how many cyber websites is he still visiting? This is one sick chap that needs help not from those herein Facebook but from the authorities. HE IS ONE that needs to be brought to the authorities.

I am certain that his minions/apostles will be sending me messages, but if you do, then you too are a part of the problem not the solution

surfing the internet. What dirty little secrets will she learn about her daddy?

And since he still has this problem, how many cyber websites is he still visiting? This is one sick chap that needs help not from those herein Facebook but from the authorities. HE IS ONE that needs to be brought to the authorities.

I am certain that his minions/apostles will be sending me messages, but if you do, then you too are a part of the problem not the solution.

Initially I thought his problem was ONLY be a control freak, which I wrote about and many herein on Facebook but after seeing this, the problem is deeper than that.

Those with this type of problem are not only control freaks but also do this to keep control of those they abuse - sexually, mentally, physically. ALL the SAME garbage that the Elders from the Watchtower do and other sexual predators do.

And get this... A sex abuse attorney has been on Cedars Podcast talking about sexual abuse cases all the while they were talking to one themselves and apparently did not even know!

This chap needs help!!

**John Smith** Please Note: This chap also goes by the name Lloyd Evans and his Cedars page, he has taken off line. His JWsurvey site is still on-line for now but anyone can use the WAYBACK Machine to read all of his articles, including the one about himself where he admits he is a predator.
